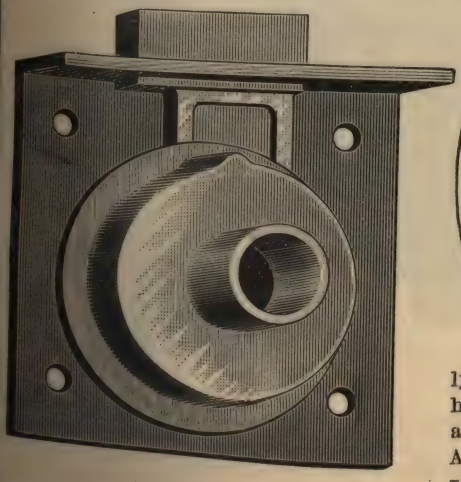
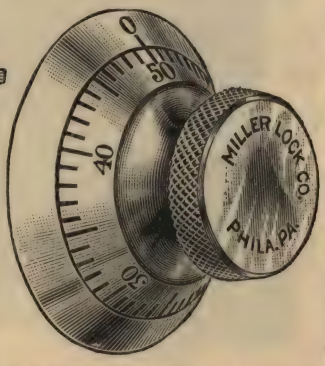
COMBINATION DRAWER LOCK.





The "CHAMPION" KEYLESS LOCKS afford the best security, the greatest convenience and the least bother. Combinations may be recorded in any number of places, and then cannot be lost. They outlast the best keyed locks, and are daily coming into more general use. The Dial is handsomely nickel-plated. It is fitted as easy as a keyed lock, but far more secure and durable. Awarded Highest Medal and Diploma at Adelaide International Exhibition, 1887.
